Primary Evaluation of Product Potential in Government Business

Insights & Analysis by
The Banyan Tree Business Consulting INDIA

About This Analysis

Focused on Mild Steel (MS) structural products awarded above ₹25 Lakhs in government tenders from Jan 2025 Onwards

The Banyan Tree
Business Consulting, India.

Keywords

MS Angles

L-shaped structural steel used in frames, towers, trusses & fabrication

MS I-Beams

Horizontal load-bearing beams for buildings, bridges & industrial structures

MS Flats

Flat bar steel for door frames, railings, grating & support structures

MS Round Bars

Solid circular bars for shafts, pins, bolts & general engineering

MS Square Bars

Square-section bars for keys, fixtures, railings & machine components

MS Channels

C/U-section profiles for purlins, lintels & secondary structural members

Government Market Context

- India's ₹12.2 Lakh Cr capex push driving structural steel demand
- MS Beams & Angles trending near ₹61,000/MT in 2026
- Defence, Railways & Power sector are primary buyers
- All tenders in this dataset: value above ₹25 Lakhs

Executive Summary

Key metrics at a glance

The Banyan Tree
Business Consulting, India.

₹454 Cr

Total Contract Value

(₹45,406 Lakhs)

386

Tender Sample Size

233 Goods + 153 Works

159

PSU Buyers

Across 25+ States

303

Vendor Sellers

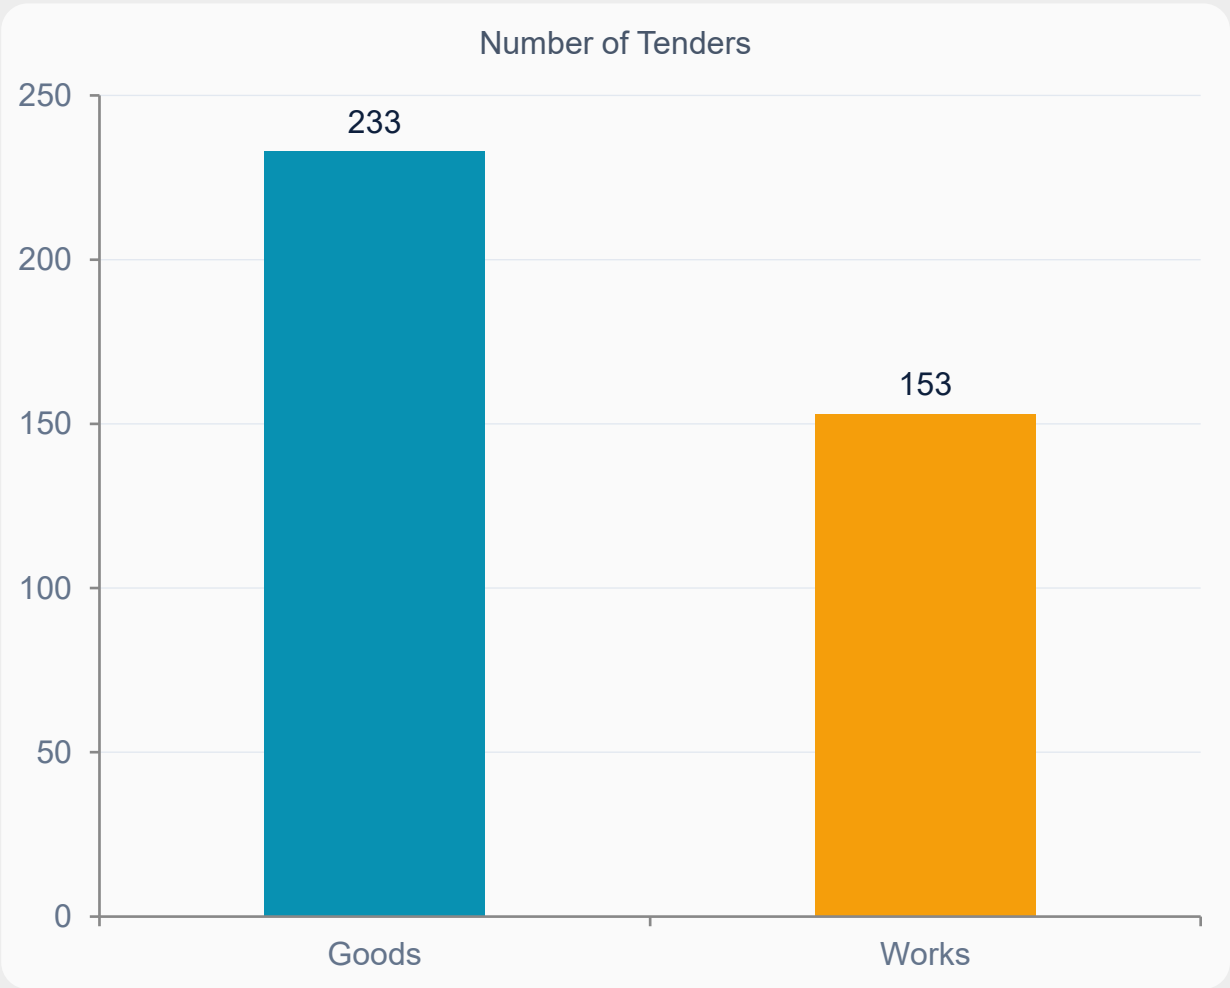

Individuals to Large Firms

Goods vs Works Split

Goods contracts dominate both by tender count and total value

The Banyan Tree
Business Consulting, India.

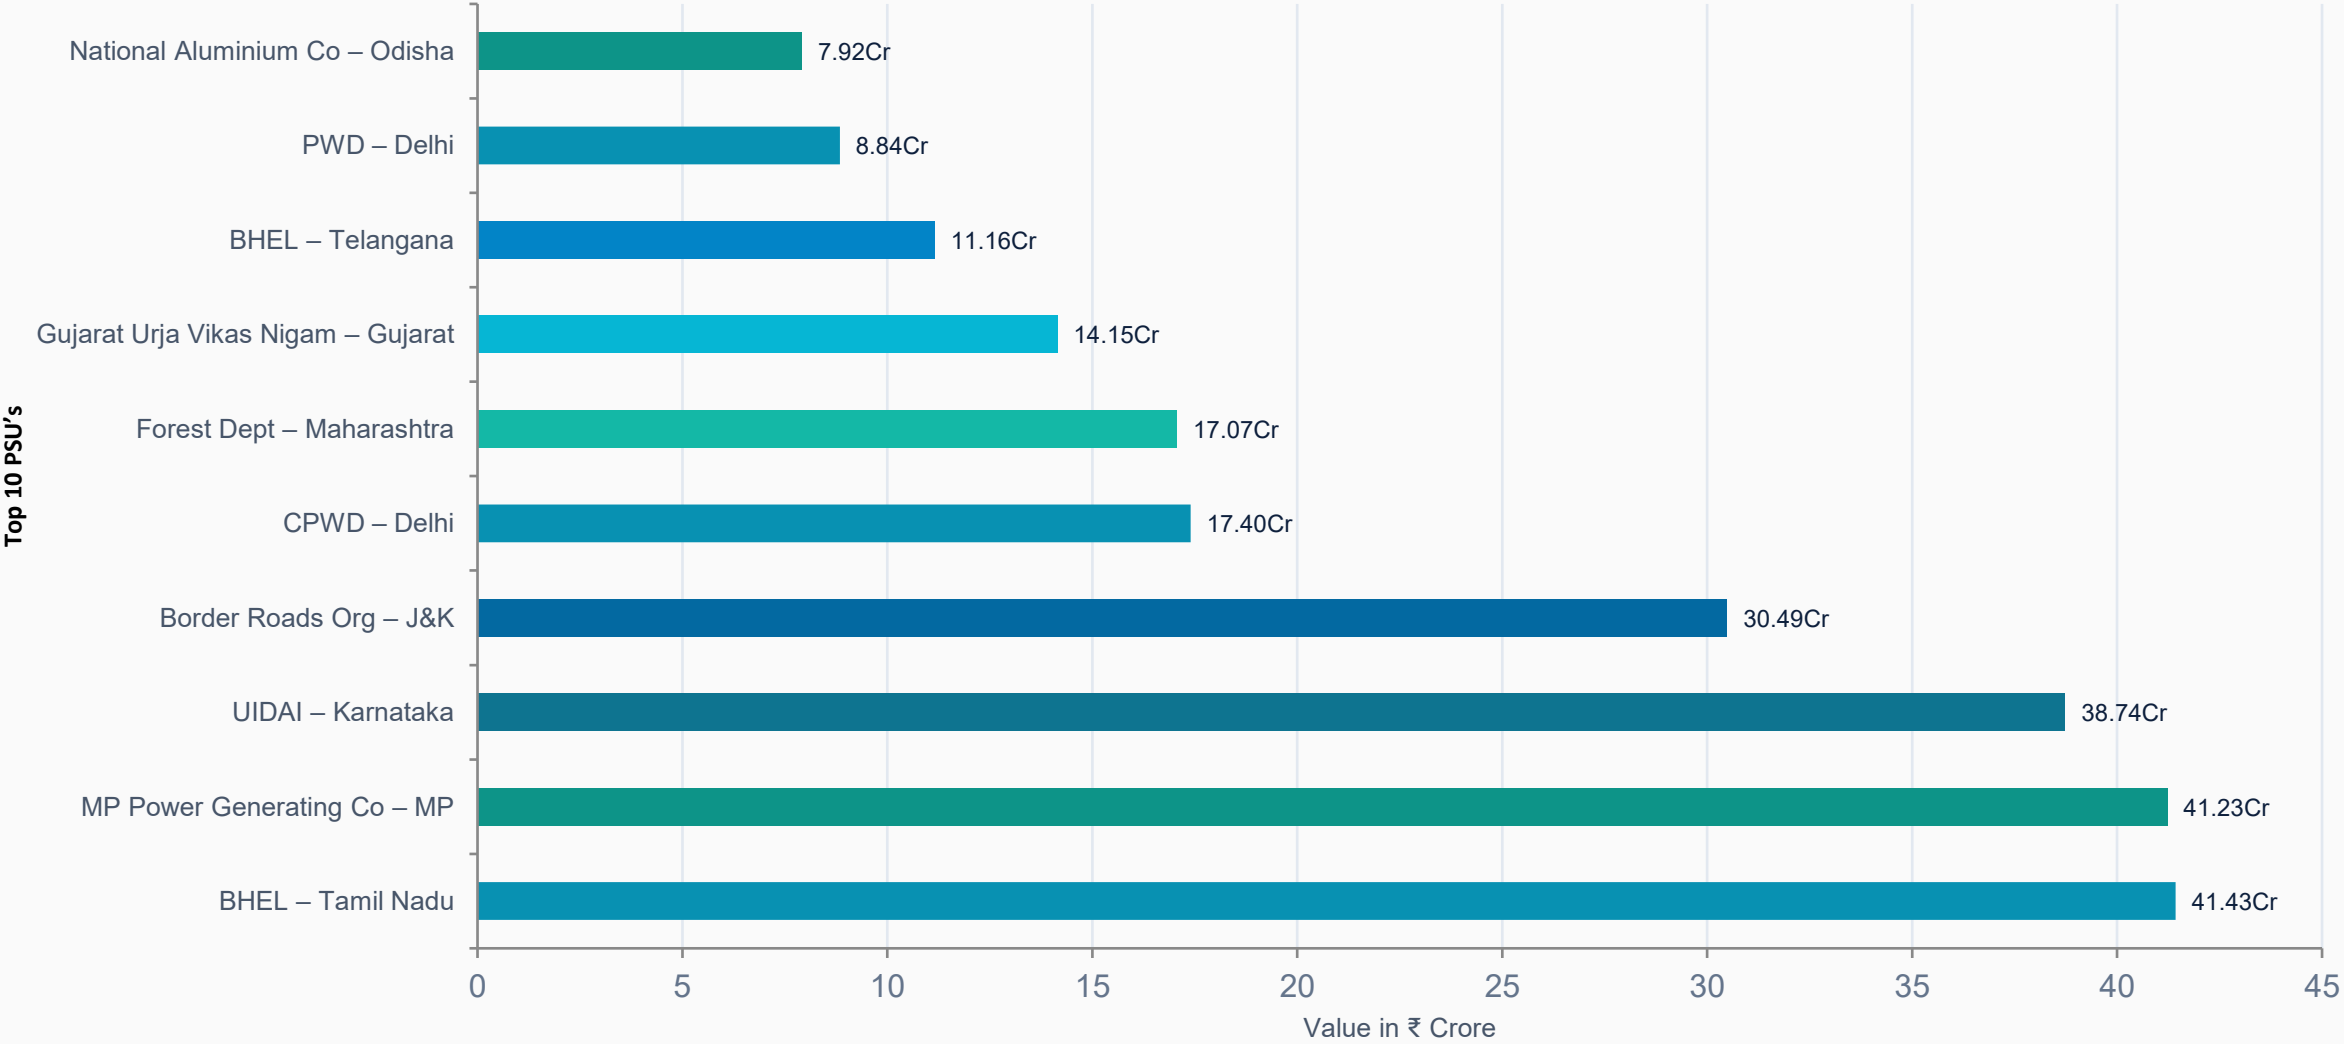

Goods Value	₹320.50 Cr (70.6%)
Works Value	₹133.84 Cr (29.4%)
Avg Goods Contract	₹1.38 Cr (per tender)
Avg Works Contract	₹0.87 Cr (per tender)

Top 10 Buyers by Contract Value

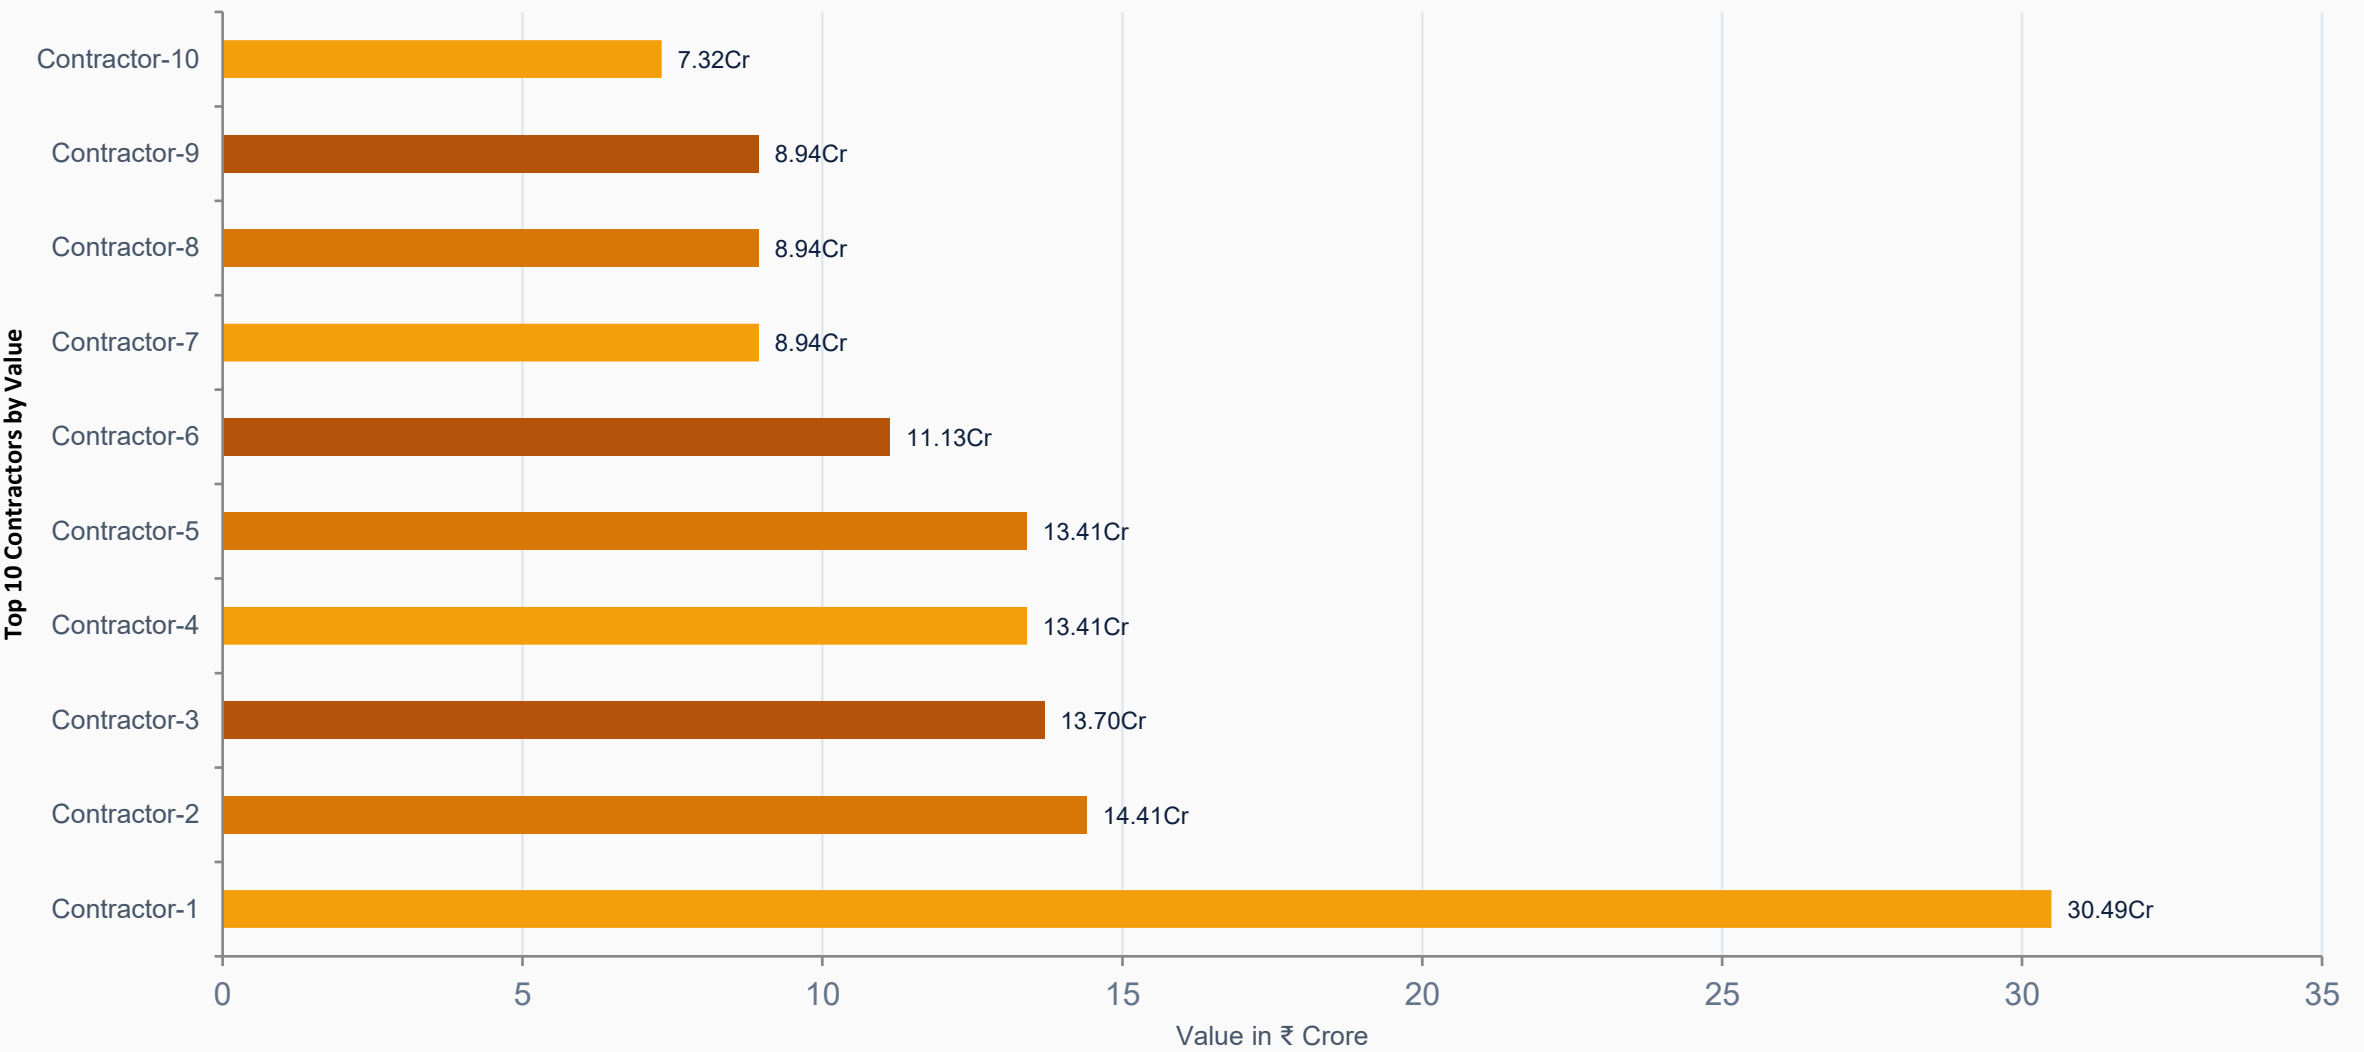

A handful of PSUs account for a disproportionate share of total procurement spend

Top 10 Sellers by Contract Value

Steel manufacturers and large construction firms dominate the vendor landscape

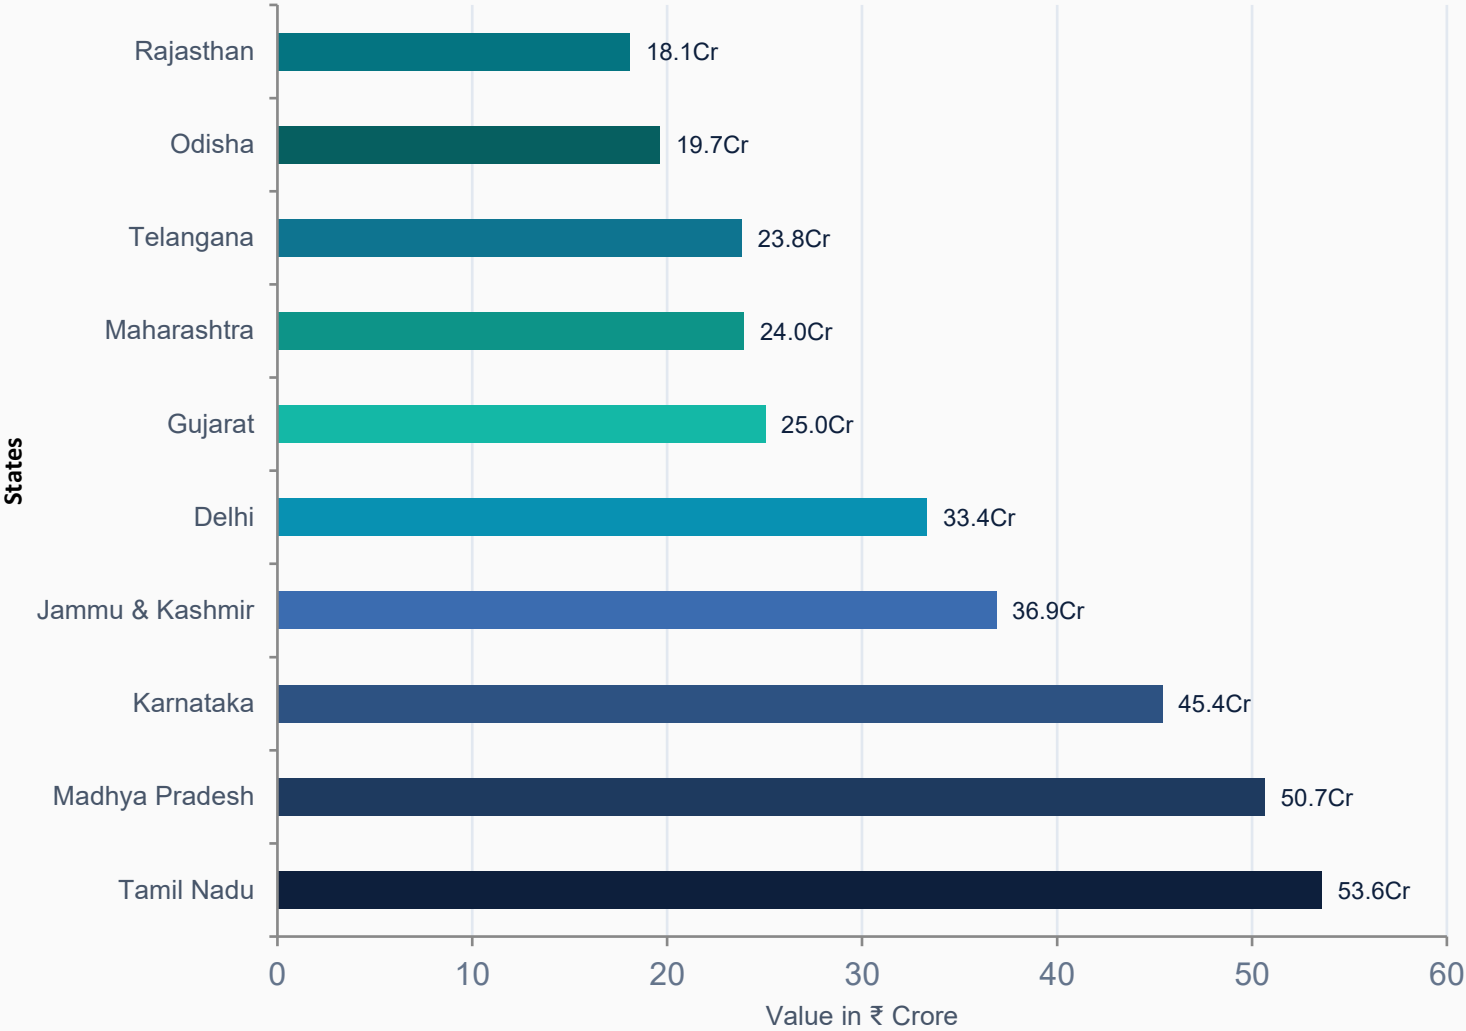

State-wise Procurement Distribution

Tamil Nadu & Madhya Pradesh lead in value; Maharashtra has the highest tender volume

The Banyan Tree
Business Consulting, India.

Tender Count by State

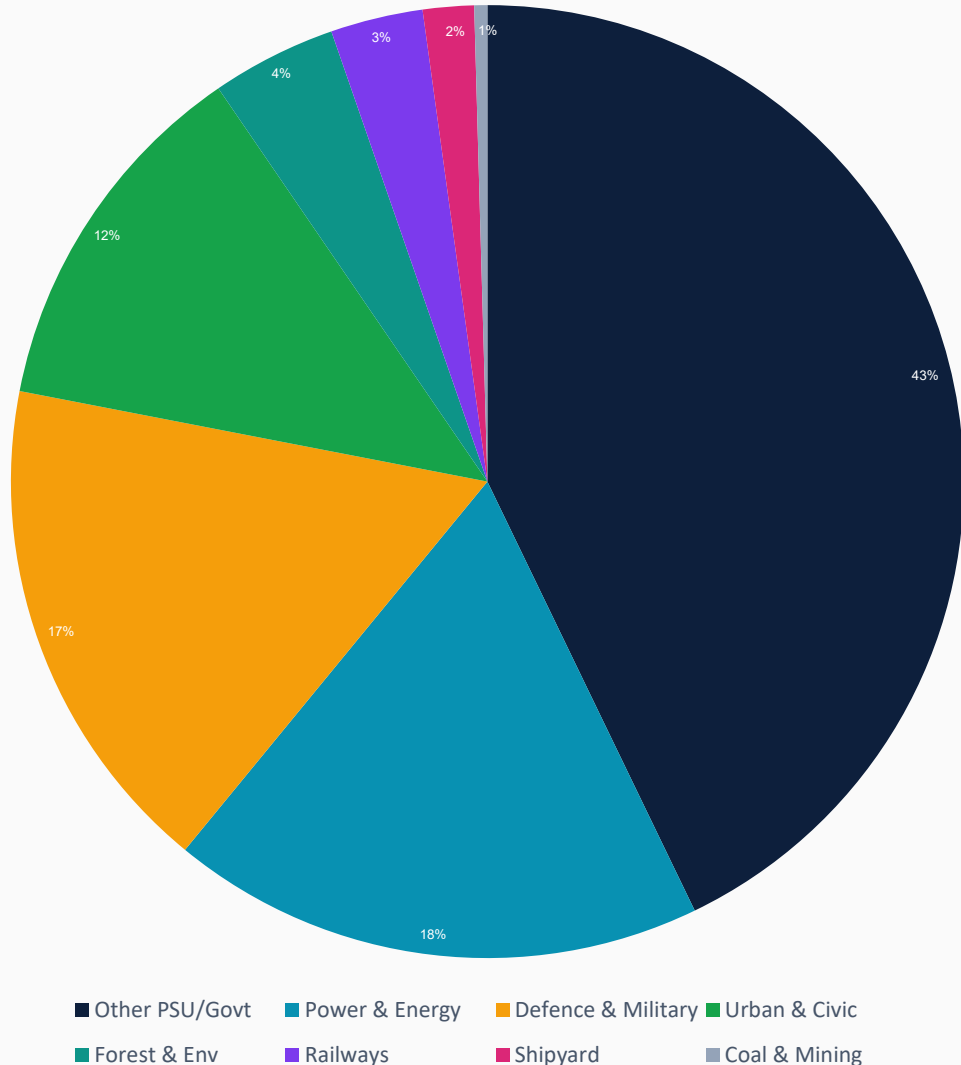

State	Tenders
Tamil Nadu	31
Madhya Pradesh	15
Karnataka	13
Jammu & Kashmir	10
Delhi	42
Gujarat	8
Maharashtra	58
Telangana	14
Odisha	19
Rajasthan	15

Procurement by Sector

Power/Energy and Defence are the biggest spenders by sector

The Banyan Tree
Business Consulting, India.

Key Insights

- Power & Energy PSUs drove ₹82 Cr (18%) – dominated by BHEL, MP Power, and Gujarat Urja.
- Defence & Military (₹78 Cr) includes Indian Army across 13 states, Border Roads Organisation and MoD.
- Urban & Civic bodies show high tender count (63) but smaller average contract sizes.
- Forest Dept Maharashtra alone issued 44 Works tenders – highest single-buyer tender count.
- Railways across 12 entities contributed ₹14 Cr across 30 tenders – mostly goods procurement.

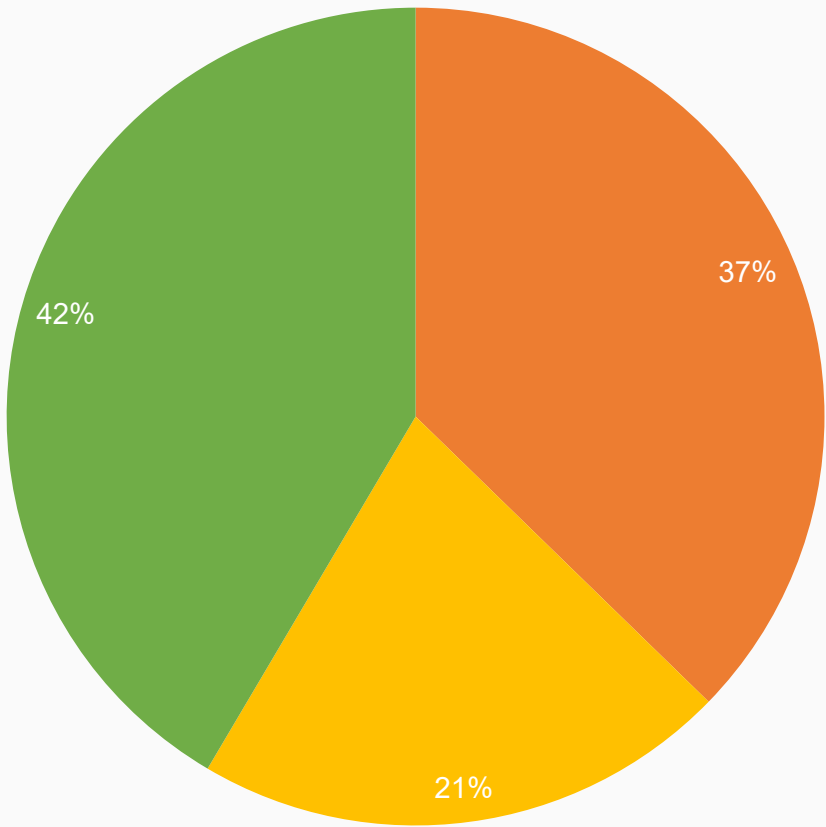

Concentration & Outlier Analysis

Spend is highly concentrated — a few mega-contracts skew the averages significantly

The Banyan Tree
Business Consulting, India.

Buyer Concentration (₹ Crore)

Top 5 Buyers Next 10 Buyers Remaining 144 Buyers

Largest Single Contract (Outlier – Not Part of 37%)

BRO J&K → A.K. Engineers
₹30.49 Cr · Works Contract

Most Active Buyer

Forest Dept Maharashtra
44 Works tenders · ₹17.07 Cr total

Vendor Concentration

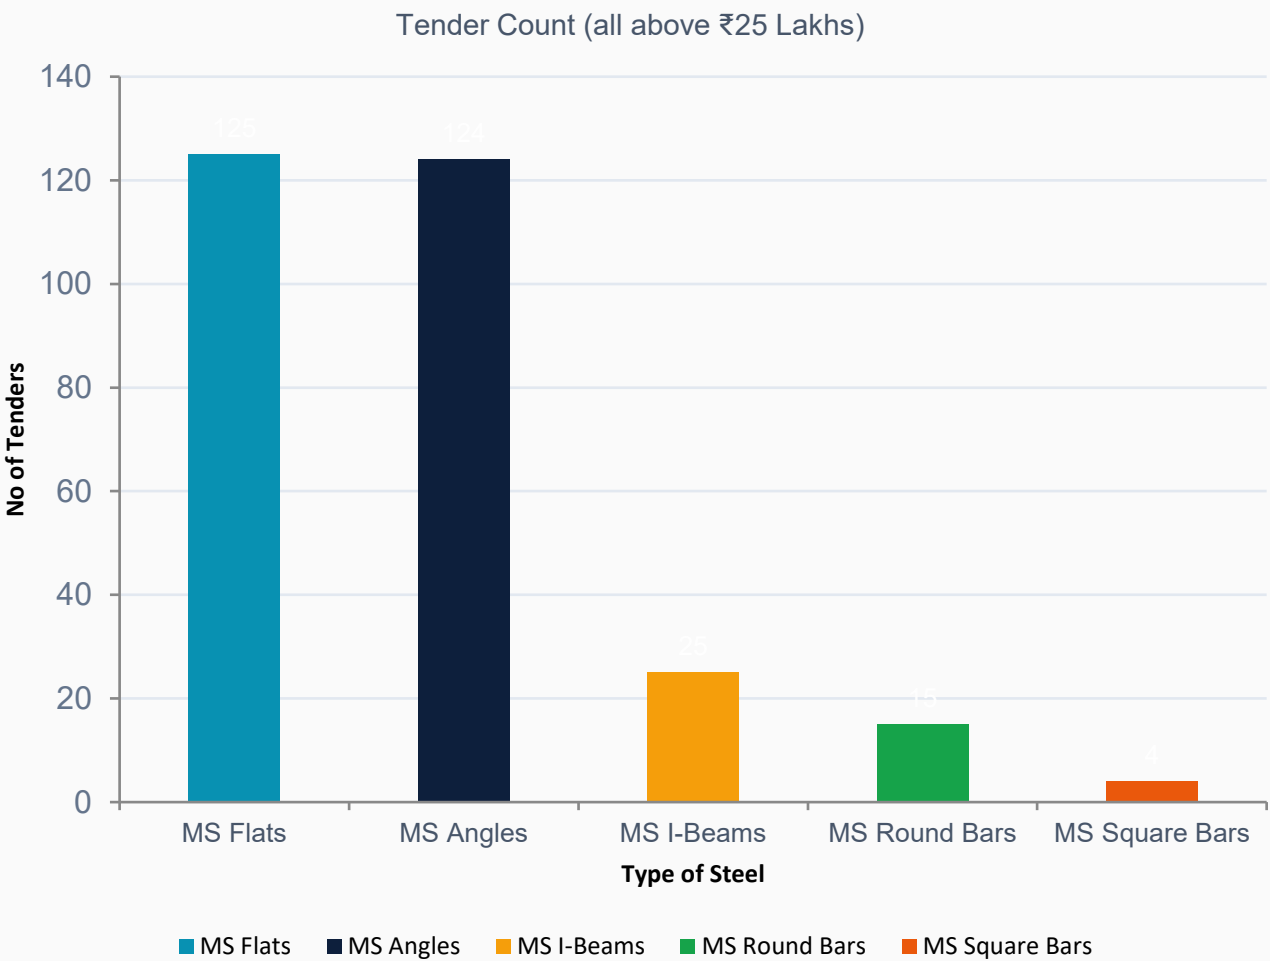

Top 10 sellers = 43% of total value
293 sellers share remaining 57%

Business Consulting, India.

MS Product Bifurcation Analysis

Breakdown of tenders (above ₹25 L) by MS product keyword — count & value share

MS Flats

125 tenders ₹132.39 Cr (41.3% of goods value)

MS Angles

124 tenders ₹125.52 Cr (39.2% of goods value)

MS I-Beams

25 tenders ₹36.38 Cr (11.4% of goods value)

MS Round Bars

15 tenders ₹19.74 Cr (6.2% of goods value)

MS Square Bars

4 tenders ₹6.47 Cr (2.0% of goods value)

Key Takeaways & Strategic Recommendations for Manufacturers

- 01 Sales Focus: Top 20 Vendors** Manufacturers can focus on top 20 vendors for sales opportunity — they control the majority of repeat order volume.
- 02 Pareto Concentration** Top 10 buyers = 55% of spend. Prioritise BHEL, MP Power, BRO, CPWD, and UIDAI for relationship depth.
- 03 MS Flats & Angles Dominate** Together, MS Flats (₹132.39 Cr) and MS Angles (₹125.52 Cr) make up over 80.5% of all MS goods tender value.
- 04 Works Underrepresented** Works tenders (29.4%) are fewer but higher-value on average. Maharashtra & Delhi corridors are key entry points.
- 05 Regional Hotspots** Tamil Nadu, MP, and Karnataka represent 33% of total value. J&K shows a mega-contract spike worth monitoring.

GOVERNMENT OF INDIA ALIGNMENTS >>> Central & State Government Supply Opportunities

Government Market Access & Approval Ecosystem

We connect manufacturers with the right partners and procurement channels to accelerate product approvals and drive sustainable growth.

01

CONTRACTOR NETWORK

- Leverage a strong network of contractors, EPC companies, system integrators, and government suppliers.
- Connect manufacturers with the right partners across Central and State Government projects.

02

BUSINESS DEVELOPMENT & MARKET ACCESS

- Facilitate introductions to qualified contractors and PSU vendors.
- Create opportunities for products to be approved, specified, and supplied through established procurement channels.

03

BRAND / MAKE APPROVAL

- Get your brand formally recognized and listed with government procurement bodies.
- Ensure your products are specified, tendered and purchased.

04

GROWTH & REVENUE ENABLEMENT

- Accelerate market access through established execution partners.
- Strengthen long-term business relationships and drive sustainable revenue growth.
